#### 'Kingdom of Blind' Nightly Rehearsals

The major Knights and Knaves production "Kingdom of the Blind" is now well in rehearsal.

Nightly rehearsals are being held and the thespians are literally burning the mid night oil preparing the production for presentation February 18 and 19.

A new play by Frank Ford, "Kingdom of the Blind" has been staged twice - at St. John's University and Catholic University.

Experimental in scope, the play depends for much of its effect on dramatic lighting effects. It is under the direction of Prof. Henry Fairbanks moderator of the Knights and Knaves.

The cast chosen before vacation includes: Mary Polworth; Pauline Landry; Ed Ruest; Howard Lancour; Barney Thompson; Bob Lilly; Bill Heenehan; Lenore Fleeman; Dick Wall; Paul Mitchell; Vin Lawless; Bob Sullivan; Bob Bonnette; and Rem Schoen.

MICHAELMAN  
MEETING  
MONDAY AT 7

#### Varsity Drops

#### Thriller 58-50

by RAY HOWLAND

The cage forces of St. Michael's College suffered their third setback of the season Wednesday at Memorial Auditorium as they succumbed to the bigger and more experienced University of Vermont "Five", 58 to 50.

It was the conference opener for the Mikemen while for the Vermonters, it makes their record 2 and 0 in conference play, as they previously trimmed Norwich in a pre-Christmas game.

The Knights really opened up in inspired fashion as they jumped to a quick 8-0 lead on two baskets by Markey, a single by Hart, plus two foul shots by Jack Walsh, but lack of height started to show and the Cata-mounds paced by Ken Pierce and Ed Kotlarczyk really began to hit and gradually caught up, taking the lead at the six minute mark never to be headed again, although the Knights in the person of Bill Hart put on a gallant rally in the closing minutes.

#### HART CLICKS

With the score 10-3 in favor of the Knights, the 12 straight points by Vermont zoomed them into the lead before St. Mike's scored again. The halftime score was 26-17. At the six minute mark in the final half the Vermonters had stretched the lead to 18 points, 55-37 before the Knights and diminutive Billy Hart started to move.

In the last five minutes the Knights outscored the winners 12 to 4, to cut the lead to 58-50 as the final gun went off.

Ten of the 12 points were thrown by Hart, who incidentally played the whole second half with four personals against him.

It was a case of too much height and experience against the Knights who hope to be at full strength and seek revenge in the next meeting of the two clubs on March 7th. By that time Ted Burzenski's hand should be free of bandages and splints.

Both sides had their sights lined up at the foul line, St. Mike's sinking 16 out of 23 and Vermont making good on 14 out of 21.

#### Frosh

S.M. Frosh 12 10 19 19 - 60

UVM Frosh 7 11 12 9 - 39

Officials: Herbert and Maley.

#### Squires Good Bet To Repeat As Champs

by WHIT BARTLETT

The Purple Squires continued their winning ways Wednesday night with a convincing 60-39 win over the "Kittens" of UVM. It was the fourth straight win for the frosh and the first defeat in four games for the Kittens.

The Squires didn't waste any time. After Johnny Bloomer put the Kittens ahead with the first two pointer of the ballgame, Jim Farley passed neatly to Jim Duffy for a double-decker and then Pete Meurer dunked in a long set and the Purple were in front to stay.

Midway in the second quarter the Vermont Frosh moved to within two points of St. Mike's, but Duffy came through with two quick baskets, one of them on a beautiful pass from Farley, plus a foul shot and Meurer with another set to put the Squires into a 22-18 lead at halftime.

In the third quarter Farley sparked a drive that had the Purple in front 41-30, going into the final stanza. This stanza really produced some fireworks. The Knight Jrs. scored 19 points while holding the Cats to 9.

#### Exam Schedule Finds No Tests In Austin Hall or College Gym

Mid-year examinations, an old institution at St. Michael's, begin Monday and continue through January 25. The exams will follow the system set up last Spring all being two hours long.

This year Austin Hall and the gym will not be used as exam rooms. The classes are being split up into groups, each group assigned to a different room. Mr. Garrett warns that it is important that each student get his room numbers and examination number from his professor.

The Registrar's office will be too busy to give out this information. It is also necessary to get all information before going to the exam. The proctors have been instructed not to allow any questions.

There will be four exam periods each day, two in the morning and two in the afternoon. On Saturday, January 21, there will only be morning periods.

The exam schedule is as follows:

| COURSE     | SECTION | DATE    | HOUR  | ROOM ASSIGNMENTS                |
|------------|---------|---------|-------|---------------------------------|
| ACCOUNTING |         |         |       |                                 |

## EDITORIALS

### Let's Go To Town

Today's college student realizes the value of money more than many people think he does. In fact, students today go so far as to appreciate the saving on their limited income of even a nickel. This editorial is based on exactly that; the saving of five cents on the part of St. Michael's students.

We want to call upon our Student Activities Council to take action on a matter that has rested on the shelf quite long enough. The Council is the agent in matters concerning our welfare, so we ask them to do something about having the bus rates for St. Michael's students reduced from 15 cents to 10 cents for the trip to Burlington and from 10 to five cents for the Winooski trip.

A program of this nature will not be new to the Council. Last year SAC formed a committee to take action on this matter but for excellent reasons, the project had to be delayed. There seems to be no need to wait any longer.

We would like to review the situation and offer the Council a few suggestions which it might use in presenting the case before the bus company.

Despite the 500 per cent increase in the number of students at St. Michael's, the bus rates have never been changed. It seems obvious that the bus company is certainly realizing a much greater income on 1,000 students than it made when there were only 200 fellows here.

No additional busses have been added to this run to handle the increase; therefore, no new major expense has been incurred on their part. More busses are not immediate concern anyway. It seems certain that even with a reduction in rates, the company will still be in a higher income bracket, as far as St. Michael's passengers are concerned, than it was when 200 students were here.

The busses are our chief means of transportation to Burlington and Winooski (outside of the patient thumb). With our students continually fighting to make ends meet, 15 cents can look like a pretty large amount. Actually, a fellow wouldn't be as likely to look upon a dime fare as gravely as the present charge.

There are many times when we'd like to get into town but the thought of 30 cents round trip stops our going. It would be important to local merchants if we could simply go to town for shopping without having to wince when we think of spending 30 cents to get there and back. It's rough enough on the campus residents, but the 500 off campus Michaelmen really pay through the nose.

We offer a few possible approaches to reducing the rates.

Each student could be issued a bus card which would entitle him to make the trips to Burlington and Winooski and back for five cents less than the present fare. If the company balks at printing the cards at their own expense, perhaps the Council could contribute a sum toward defraying the printing expenses, taking the amount from the Student Treasury.

Another possible solution is the moving of the bus limits. The line could be moved up to Hood's Crossing or thereabouts, so that it would only cost 10 cents to and from Burlington and five cents to go and come from Winooski.

That's it in a nutshell. After studying the case, the Council may discover other means by which we can get the rates down. We believe that no more time should be wasted before action is taken on the matter. The Student Activities Council has our wholehearted support.

We students are continually challenged as to knowing where our money goes and we are rapidly learning the art of cutting corners in regards to our spending. Even the saving of a nickel means a great deal to us.

## HILL WIND

By Chub Helfrich  
And George Lavallee

Question: Do you think the retreat will personally benefit you, the student???

JOHN LAMBERT PITTSFIELD, MASS.  
The significance of the retreat cannot be overrated; it is a splendid chance for the student to catch up with himself morally and I intend to take advantage of this occasion.

BOB LAFORGE WEST WARWICK, R.I.  
A retreat is always beneficial to the individual because it gives one time to spend some thought on his spiritual welfare status, but personally I do suggest that it should be conducted just before Advent or the Lenten season.

TOM DEMORSE NEW YORK CITY  
I feel that the benefits of the retreat are inestimable, yet it is really up to me to make my own personal offerings during this religious occasion.

TIM MURPHY WEAVERTOWN, N.Y.

Spiritually a retreat will be a great advantage but because of the long time between the end of my exams and registration day I will naturally feel a little prejudice against the retreat as it destroys a welcomed vacation after exams. I am in favor of a retreat as it is in many other colleges just before a major feast like Christmas or Easter.

JACK KELLY PITTSFIELD, MASS.

I would not attend of my own volition but as I am bound to go, I may derive some good from it.

RAY DEFORGE SOUTH HADLEY FALLS, MASS.

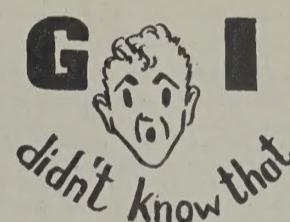

I hope I will be given more grace and spiritual strength to pursue my vocation in life.

JOHN TWOMEY BOSTON, MASS.

As I am compelled to attend the retreat, I think it will lessen the religious aspect of the occasion and the indulgences received from it.

JOE CELINA NEW YORK CITY

This will be my first retreat and I hope it will be good as there is no limit to our need for spiritual help.

Leaves of absence may be granted veterans taking on-job or educational training under Public Law 16, if, in the opinion of the Veterans Administration, such leaves do not interfere with their courses.

According to Charles L. Jacobs, manager of the Vermont VA Center, leaves of absence are not to exceed 30 days in any consecutive twelve months, and during such leave the trainee will be considered to be pursuing his course of vocational rehabilitation and will continue to receive subsistence allowances.

## THOSE MID YEARS

Bill Acton and Tom Breen

We start off with the question of the week....

What was John Fracasso doing in the kitchen of the Black Cat Saturday night?....George Lavallee, one of our inquiring reporters, is receiving mail from 57 Huntington Ave. in Springfield....The name is Norma, isn't it George?....They tell us that the Spanish Club plans to utilize the hockey rink for bull fights if the weatherman doesn't hurry up with ice....Charlie Hanley's New Year's resolution....Milk under the Palms....Ray Rodden and Tex Conway making like Yale's Tony Lavelli in the gym Saturday nights....We hear that all that stood between North Adams and flood disaster was Frank Merrigan....What was it that Fr. Sullivan and Mr. Hartnett beat to death and buried behind the new Science building....Speaking of science, and the new building we hear that all students must have written permission from Prof. Holcomb before entering....Guess they don't want it worn out before the gala opening....The latest Outing Club dance was the best yet. It wasn't crowded, the lights were soft and the music low....See Paul Galarneau for verification of this....Tickets for the Winter Carnival are going fast....Ken Hanlon acting as good will ambassador between our neighbor Trinity and the Hilltop while showing Ann Jacobs and Pat Mills the new cafe....Very nice Mister J. Daly....We approve....We wonder what happened to Mr. O'Beirne over the vacation....Mr. Griffin, you weren't the only one who spent a very enjoyable New Year's Eve....The Delta Mu tells us that Trinity now has a Roy Rogers fan club....John (The Hat) Donovan was the center of attraction at the Naples Saturday nite....Leo LeBlanc surprised by a visit from the girl friend last weekend....doesn't she trust you Leo?....The hockey team holding a "peak" tournament waiting for ice....Does anyone know if Frank Young's girl is still at Park Square....Ou Reservoir, Frank....How about a clock in the cafe and a break for the students on prices....Fr. Laurence Boucher's floor must be loaded with cartoonists after taking a look at the boards....Why don't they come to work for *The Michaelman*?....Mac McCarthy and Jim Devaney had quite a discussion with Red Barrett of the Boston Braves at the baseball clinic held in the UM cage Saturday....How many of the off-campus Michaelmen dropped into the chapel for forty-hours devotion? From all appearances it didn't look like many....We'll bet our money on the Michaelmen who are fighting in the Golden Gloves as long as they have St. Michael on their side....He was some fighter....(Keep 'em Flying) Sciarriano is really going all out for the blue heavens....Take a look at the decorations in his room, but don't look for the walls - they're underneath the posters....Excuse me, is your name General Ike?....Walt (Ike) Coon must be going to re-enlist with all the GI clothes of his....Little Bohemia is indulging in a few cold card games....Bill Heenehan doesn't see his room mates any more....Frank L. Clark keeping the boys up all hours with new jokes he picked up over the vacation....Jack Sigler and Fran J. Clark look a wee bit of alright in those sharp twin pajamas....Mr. Garrett's Education class are learning by the movies....The class spent Monday afternoon witnessing methods of teaching in Austin Hall....Of course the hockey team had to oblige and leave the hall....*The Michaelman* would like to express its feelings for the students by not having the last issue out on time, but some of that stuff can't be printed....After all the reporters were on an extended vacation and just couldn't get their copy in on time.

## Shamrocks and Shillelaghs

SHILLELAGHS to the weather man for not providing the proper weather to make the Winter Carnival a success. To the characters who mark up the desks in the class rooms and to the joker who put his feet up on the table in the parlor of Old Hall. You really make St. Michael's proud of you.

by FRASER

## Tony Cauley

The Winooski Parker's in their bright, new gold and purple uniforms, did themselves proud by making Vermont go all-out, all the way. But the Knights were barking up the wrong tree that night because Vermont, with all their savvy and know-how, had a team on the floor that played just a little better than our boys did.

Let there be no mistakes about it; Vermont has a good ball club. They have experience in Neiman and Kotlarczyk, who, it must be remembered, played two years ago on that great Vermont team that included Larry Killick and Bob Jake. They have height in Galli, who played a great game Wednesday night, Neiman whom we mentioned before, Collier who played the best game of his career, and Cook who when he is in there, plays a bruising ballgame under the back-boards.

Let's not leave out their team captain, Hammie Livingston, and his running mate, Ken Pierce, who have a pretty good idea of what is supposed to be done with a basketball. They have a good all-around ball-club, both on defense and offense.

Another thing to note is that when playing St. Michael's, they have a man who will play a great ball game, one we could almost say was over the certain man's head. Two years ago, St. Michael's held Larry Killick to two points in the first meeting, but Bob Jake on said night netted 24.

Wednesday night it was Art Collier, who got red-hot midway through the second period, to put Vermont almost 20 points ahead. During that spurt, Collier put a couple through the nets that he couldn't sink again in a thousand years. He also put through a couple of back-handed lay-ups that were pretty to watch, but if thrown up against anyone but St. Michael's, would probably have maimed someone in the balcony.

Billy Hart played excellent ball by holding Kotlarczyk to 7 points, while scoring 17. That run-away-horse type of basketball is right up Billy's alley. It was he who almost single-handedly closed the gap in the last few minutes.

We got beat by a better team, and the officials of that evening would be much better in a girl's league where the players and fans know a little less about the game.

## Varsity and Frosh Have Two Games

While most Mikemen are looking green around the gills with worry over the approaching mid-years, the varsity and frosh each have two games to worry about as well.

Today Coaches Borgmann and Guter have their teams down at Middlebury. Middlebury is expected to provide the varsity with stiff competition.

As yet the Squires have no line on their opponent, but judging from current upswerve in Panther athletics the Midd-Frosh could easily prove the Squires' toughest contender for the state freshman championship.

Last winter the varsity and

frosh each beat Middlebury twice. The Midd-Frosh, however, gave the high flying freshmen one of the closest games of the winter. These same freshmen a year older will be out to dehorse the Knights tonight.

Middlebury split even in two meetings with Champlain, twice losers to the Knights.

The other Midd date on the schedule for the Knights' basketball forces is on the 22nd.

A week from tonight the varsity will be down at Amherst meeting a tough Lord Jeff five and the freshmen will be in the Auditorium in a return match with the Burlington YMCA.

## Purple Go Into Extra Period To Win 37-33

by RAY HOWLAND

In their first overtime clash of the season the Purple Knights of Bennie Borgmann defeated a strong Champlain College five 37-33 on the Blue Jays' home court last Friday.

Successive field goals in the overtime stanza by Jack Walsh, Billy Hart and Ed Krupinsky brought the Knights their second victory over Champlain this season. In their first encounter the score was 51-43.

Champlain jumped to 9-0 lead in the first five minutes as Wayne Hastings dropped in three consecutive layups, but after this the Knights began to move, drawing up to within two points of the home club to make the halftime score 15-17.

The Knights played without Ted Burzenski and George Kruse, both injured, but replacement Dan Fitzgerald did yeoman work holding opponent pivot man Al Baldassari to three foul conversions, while dunking in seven points himself.

## Intramurals Get Under Way Evenings, Weekends In Gym

## Sauer Plans Boston Bus For Carnival

Bob Sauer, second floor St. James, is arranging for a bus from Boston and back for the dates of Boston students for the Winter Carnival. Probable cost of the round trip will be between eight and ten dollars.

Any Boston Mikemen who want to arrange for the trip should see Sauer. If enough students from either the Springfield or New York areas contact Sauer he will arrange for transportation from these spots as well.

## First Hockey Game Cancelled—Weather

Still without a game under their belt or any signs of a skating surface to practice, the Purple Knight hockey team is scheduled to take on the University of Vermont six on their home territory this afternoon at 3.

It will be fast forward wall of Captain Jim Feloney, Tom Duggan and Jack Conway trying to make the strings ring behind the Catamount standout goalie, Armand Piche.

The Purple six was scheduled to play the Mountaineers of Norwich at Northfield Friday.

The starting lineup

|                         |
|-------------------------|
| RW - Jim Feloney, capt. |
| LW - Jack Conway        |
| C - Tom Duggan          |
| RD - Jean Paul Trotier  |
| LD - Frank Young        |
| G - Jerry Healy         |

## McDonalds Feature In Intramural Play

Old McDonald may have had some ducks on his farm but he also had a basketball and net judging from the current crop of McDonalds.

Thursday night, January 6, at eight the intramural season opened with a game between Old Hall's second and third floors. High scorer for the second floor was John McDonald with 17 points. High for the third was James McDonald, no relation, who tallied 9. Final score: second floor 31; third floor, 26.

Other scorers for the game were Co-captains Dean and Bogan of the second floor and Meeney, Kelly, Shea, O'Neil and Sullivan of the third.

The league will continue operating for the rest of the winter. Game time is eight P.M. week nights and 2, 3 and 4 Sunday afternoons. There will be no Sunday night or Saturday games.

The champs, St. William's, in last winter's league were guests at the Block M dinner in April.

All scores will be carried in THE MICHAELMAN.

The roster of the league: Old Hall 2; Old Hall 3; Old Hall 4; St. William's; Aquinas; St. John's A; St. Leo's; St. Pat's; St. James A; Wojo House; Off Campus 1; Essex Jct.; Off Campus Hilltop; The Ranch; Off Campus 2; Winooski; Upper East Allen; St. James B; Off Campus 3; St. John's B.

Every student will be assigned to a specific exam room in each subject. The exam room will probably be different for each subject, so be sure to mark down your exam rooms as each teacher tells you. Proctors will be given lists of those supposed to be in the exam rooms that they proctor. If your name is not included on the list for a given hour, you will not be permitted in the room.

## Italian Honeymoon For Prof. Citarella

After a 13 month stay in this country, Professor Armando Citarella has decided to return to his native Italy - BUT only for a brief visit - AND with an American bride.

Nuptial plans are in the making and sometime in February the professor will be wed to Miss Margaret Merigo of Somerville, Massachusetts.

Professor Citarella will conclude his studies for a master's degree in English at the close of this semester before leaving for Europe. As well as being a graduate student, Citarella has attained popularity among the students and faculty, teaching courses in Italian, Latin and Greek.

Becoming acclimated to the United States threatened to be an enormous task. After a month or so the professor was convinced of it. Originally he was to attend Harvard Graduate School, but when he arrived he found that there would be no vacancy for several months, fearful of losing precious time. Citarella sought other hallowed halls of learning. High words of praise reached him from an alumnus about St. Michael's and before long Citarella was pursuing his studies here.

The progressive atmosphere, geniality of the students, friendly assistance of the faculty attributed greatly in his becoming lock, stock and barrel of St. Michael's College.

When an appointment to Harvard availed itself, Mr. Citarella elected to remain at the college. He compared the two as great American institutions of learning, but the major difference was that he liked St. Michael's College and that an ambitious "Ole Grad's" praise was really due her.

In September Mr. and Mrs. Citarella will return to America for a permanent stay. Mr. Citarella will rejoin the faculty and will teach the classical languages. It is his ambition to become a citizen of "the greatest country in the world."

The Sodality of the Blessed Virgin, at its meeting Friday evening, discussed various matters, most prominent of which was the radio raffle now being conducted on campus.

The drawing of this \$115 combination radio-phonograph will take place today, at 5:30, in the dining hall.

President Clem Shaw presided over the meeting and disclosed plans for another membership drive and reception of new members in May. Fr. Paulin, Sodality Moderator, spoke briefly on a proposed plan to consolidate all campus clubs having a religious motive.

In conjunction with the coming examinations, an enthusiastic discussion on the moral issue of cribbing was held which proved to be very interesting to all present.

Plans for the adoption of the Dialogue Mass and also a Catechetical Conference were also discussed. Sixteen members have volunteered to teach catechism in the surrounding parishes as soon as plans are completed with the pastors.

## Collegiate Clippings

by CHUCK COLLOVA

SOUTH BEND, IND. According to the Rev. Robert H. Sweeney, C.S.C., executive assistant to the president of Notre Dame, a degree from the University of Notre Dame today is "socially radio-active because this university stands for something positive."

Deploring the gentleman's code prevalent among the socially elite colleges which refuse to infringe upon the complete freedom of expression of any professor he said, "If he is teaching your students that the American system of government ought to be junked, and a communistic Soviet system substituted, it has become the mode among the elite colleges to shrug it off as the exercise of the right to free thought and free speech."

WELLESLEY, MASS. Wellesley College has announced that inquiries about race and religion have been dropped from the application blanks for admission in 1949.

"We have heretofore taken into consideration all of the information we could obtain about the candidates for admission in order to choose wisely among them but not to discriminate against any of them. Now, to avoid any possibility of seeming to discriminate against any applicants because of their race or religion, we are eliminating entirely any reference to those matters in selecting a class."

At the annual "Holly Hop" Canisius College honors its "Forgotten Man" with an eighteen inch trophy showing Victory holding the leaves of achievement. Chosen by his classmates and a faculty board the forgotten man of the campus is the senior who, by participation in extra-curricular activities, has done the most for the college but as yet has not been publicly recognized by election to an office or reception of non-scholastic honors.

## Schedule Set For Knights

St. Michael's College will play an eight game football schedule this fall, opening against the University of Vermont in Burlington, Sept. 24.

Newcomers to the schedule include Hofstra, Rider, Loyola (Montreal) and Colby, it was announced by Athletic Director George "Doc" Jacobs. Last year the Purple Knights won five of their seven contests, losing 7-6 to Champlain and 6-0 to American International College Knights, under Coach Jacobs, held their opponents to 15 points in seven games.

The 1949 schedule: Sept. 24, Vermont, away; Oct. 1, Hofstra, away; Oct. 8, Lowell Textile, home; Oct. 16, Rider, away; Oct. 22, American International College, home; Oct. 29, Loyola (Montreal), away; Nov. 5, Colby, away; Nov. 12, Norwich, home.

### BOOSTER CLUB MOVIES

Last Tuesday night, some 200 members of the SM Booster Club were treated to a night of entertainment, four short sports movies.

The program started with a picture on safety while skiing, followed by the highlights of the world series, the highlights of the 1948 football season and the Olympic basketball finals between Kentucky and the Phillips Oilers.

After the movies the club was treated to coffee and doughnuts.
